

Ayoola Desmond Ibrahim

Visual Designer

Portfolio

Ayoola Desmond

Visual Designer

www.ayooladesmond.com.ng

All through my career, i have always tried to ensure that the passion and enthusiasm for my work has shone through. Despite my breakthrough as a freelancer, i have found that it is through a team that i have achieved my greatest potential.

I have learnt that having a platform to question and develop ideas harnesses greater creativity - although realising creative inspiration doesn't come without its obstacles! Time management and working to tight deadlines are quite important in any industry, but the foundations and biggest challenges of design lie in communication.

In all my work, i have relished these challenges and used them to fuel my ambition and maintain my own high standards.

SKILL SET

- Over 5+ years of industry experience across all design disciplines.
- Advanced knowledge of Adobe Creative Suite; Indesign, Photoshop, Illustrator & After Effects.
- Advanced knowledge of end-to-end process's with extensive experience in UX and UI, specific to product development.
- Advance knowledge of HTML, CSS, Javascript, Wordpress, Joomla and PHP.
- Extensive knowledge of both PC and Mac platform .

Taxaide

INTRODUCTION

Tax management is increasingly becoming a requirement than a mere option since tax is not just a cost to businesses and individuals, but a contribution to society. It is a fee paid to society, to earn the right to operate within it. Consequently, individuals and organisations must handle their tax activities efficiently and effectively.

Tax functions today are often confronted by resource limitations, which require an increased focus on efficiency and effectiveness. Over-reliance on spreadsheets, outdated technology and a lack of integration between tax and finance systems can hamper a taxpayer or obligor's ability to obtain and analyse the data needed for timely, accurate and efficient tax compliance.

THE ASSEMBLY
PRESENTS

MASTERING CREATIVE DIRECTION [+] FASHION STYLING
